

**Mr. Alind Saxena**

**President and Executive Director -  
Mobility & Tech  
L&T Technology Services Limited**

Alind Saxena serves as the President and Executive Director at L&T Technology Services (LTTS), overseeing the Mobility and Tech segments, as well as the markets in EMEA and ROW, including Japan, Australia and India. He focuses on building strong client relationships, enhancing our deal pipeline and winning transformative projects with clients worldwide. He dedicates equal time to nurturing innovative solutions and building a strong, technology-driven presence in the verticals and markets he represents.

Alind joined LTTS as Chief Business Officer in 2010 and over the years has been instrumental in establishing the company as a leading global engineering and technology services provider for Fortune 500 clients. By leveraging diverse global teams, he has successfully led LTTS' expansion into key geographical markets and drives the large-deals engine at LTTS.

Alind has held several leadership positions in multinational organizations. A technologist with very strong business acumen, Alind has worked out of Asia, Europe, and North America. With 30 years of leadership experience, Alind has been associated with the manufacturing industry in domains such as automotive, aerospace, oil and gas, industrial products, telecom and medical devices.

Alind is a core member of the Leadership Council at LTTS. He is a graduate from the Indian Institute of Technology, Kanpur (IITK), and certified in leadership from INSEAD and Harvard Business School. He also completed the Senior Executive Program (SEP) from London Business School. He is an active member of STEM and presides over several educational councils in his local district.

He is currently based in Chicago, USA.
