

Mr. Amit Chadha

CEO & Managing Director
L&T Technology Services Limited

Mr. Amit Chadha is the Chief Executive Officer & Managing Director at L&T Technology Services (LTTS), responsible for providing business & technology leadership, market direction and strategic vision to drive the company's performance.

An influential leader in the engineering services industry for over three decades, and one of the early proponents of engineering & information technology outsourcing services from India, Amit has amassed a wealth of international experience spanning a variety of geographies and is a trusted strategic advisor to clients on Engineering and R&D best practices.

Amit was previously Deputy CEO & Whole-Time Director, running the gamut of business operations, delivery and sales & marketing at LTTS, and preparing the technology roadmap for the company's future. He led LTTS' executive management team that oversaw the organization's business and strategy implementation.

Amit has always been passionate about helping global R&D customers and Fortune 500 companies leverage L&T Technology Services' digital engineering offerings for their strategic differentiation and product development.

Amit is the Vice Chairman of the nasscom US CEO Forum, a key platform that brings together tech leaders in the US to strengthen bilateral collaboration, policy engagement, and strategic growth. He is also the only representative from the ER&D sector on the nasscom Executive Council (IT/ITeS), where he plays a pivotal role in shaping the industry agenda, driving innovation, and advancing India's position in global IP creation.

He joined LTTS in 2009 as its Business Head of Americas. Over the years, he has progressively taken on increased responsibility for the company's business worldwide and helped in its growth, both organically and via acquisitions.

As a core member of the LTTS leadership team, Amit was instrumental in driving the Company through a high-profile Initial Public Offering (IPO) in India and successfully listing it on the National Stock Exchange and the Bombay Stock Exchange in 2016.

His career is marked with significant achievements. Amit has managed P&L for multiple Business Units, spearheaded organization-wide strategic initiatives and led business development and relationship management activities worldwide.

Amit is an electrical & electronics engineer and has been honored with the Distinguished Alumni Award for Leadership in Corporate World, Industry, Academia and Research Institutions by his alma mater, BIT Mesra in 2022. He was also recognized as the Corporate Leader of the Year by the Indo-American Chamber of Commerce in 2023 and named the Most Impactful CEO by The Economic Times in 2025.

Amit has done an Advanced Management Program in Business Leadership from INSEAD, France. He has also done a Global Business Leadership Executive Program with Harvard Business School Publishing.

Amit is an avid reader of both biographies and fiction and encourages employees to nurture and expand their minds through reading. He has written extensively on technology, leadership and sustainable development. Amit is currently based out of Washington DC.
